Choice refreshments™

SIMPLE, COST-EFFECTIVE SERVICE
FOR OVER 30 YEARS

An Introduction to Choice Refreshments

We are Choice Refreshments: a family-run business with over 30 years of experience in the supply of hydration systems, boilers and consumable products.

Based in Manchester, our team boasts extensive experience engaging with workplace environments of all kinds, including large offices and co-working spaces. Chosen and trusted by businesses throughout the UK, we're passionate about offering our customers products that meet their needs. This means providing solutions that are safe, durable and cost-effective whilst delivering a customer service experience that satisfies every time.

As locals to the area, we've seen countless Manchester offices and workplaces, and delivered consumables to our clients that make sense for them, fitting the needs of their business. Now we want to deliver the same results for you.

Our offering of consumable products and services include:

- Biscuits
- Coffee beans
- Disposable cups
- Filter & cafetiere coffee
- Instant coffee & tea
- Sugar & stirrers
- Drinking water
- Advanced ZIP Boiler Maintenance Services

In our latest brochure, potential customers can get an overview of the products and services that we pride ourselves on.

What Our Customers Say

As a company, we pride ourselves on a customer service commitment that's kept our clients coming back for over 30 years. Here's a few examples of what they have to say...

"Over the years, Choice Refreshments has given us excellent service. Our water coolers are maintained or renewed on a regular basis and the company keeps in touch without us feeling pestered. Our Choice Water Cooler keeps our staff refreshed, saves them money and helps to reduce the impact of unnecessary waste on the environment."

Advertising Agent, Crewe

"Staff and visitors love the coffee, clients have also commented on how nice it is. When we order it, it always comes fairly quickly - thanks for your good service."

Architects, Sheffield

"We have used Choice Refreshments for the past two years. We have never had any problems with the equipment. We have both the water cooler system and a system for hot water. No more kettles or a steamed-up staffroom!"

Primary School, Warrington

"I had some staff telling me the previous supplier's coffee was very bitter, yours is great tasting and the staff love it."

Advertising Agency, Manchester

"We have recently recruited some new members of staff who are coffee-snobs. This is the reason we are increasing our orders and ordering a new machine."

Architects, Manchester

"Your Excellence beans have a great chocolate and blackcurrant aftertaste, please can we order another 10 bags as these guys are going through it fast!"

Global Recruitment Agents, Manchester

"Wow - that was quick service!"

National Conveyancing, Manchester
